

RHA offers new comprehensive courses and programmes

SIBU: Rimbunan Hijau Academy (RHA), a Sibuan-based private learning institution is now offering professional programmes such as Executive Diploma in Occupational Safety and Health, Facility Management and Engineering Business Management courses.

Other programmes include Diploma level courses such as Diploma in Aviation Management, Diploma in Business Administration and Diploma in Occupational Safety and Health are also available and open for the institution's new intake.

These programmes are targeted at school leavers or fresh graduates and any individuals interested to gain more knowledge in the related field.

"Its approaches will enable the students to be more hands-on, thus meeting the objectives of these programmes to produce a

skillful talent pool by balancing both technical and practical training.

"This method will equip them with the essential knowledge and skills in their respective fields," read a press statement from RHA.

The certification will later be awarded by KLIA College for Diploma level studies and Universiti Teknologi Malaysia (UTM) for Executive Diploma level studies.

The duration of both Executive Diploma and Diploma programmes ranges between two and a half years to three years, comprising six to seven semesters.

Financial aid such as PTPTN and MARA loans are also available for eligible applicants.
